

Product Description

MEC battery cabinet is the perfect solution for creating additional space by replacing sealed lead acid battery, or when there is a need for a maintenance free, long lasting, self-sufficient battery back-up solution. The cabinet comes pre-wired from the factory, ready to install. Its modular design permits more than one battery cabinet to be mounted side by side on the same wall. Each module holds up to 32pcs 100Ah lead acid battery, 200AH can be design. Please note, the cabinet is without wheels without notice, but c1-c8 can be designed with wheels.
